9.	Description of training post including Educational Supervisor if known	<p>Wiltshire and Swindon Community Dental Service provides dental care services to the patient groups described in the Special Care Dentistry Training Curriculum. Treatment modalities include conscious sedation, non-pharmacological behaviour techniques, and treatment under general anaesthetic across the Integrated Care Board of Bath, Swindon and Salisbury. There will be opportunity to work within a supportive senior clinical team, offering opportunities to observe, shadow and provide treatment on the Special Care Lists, as well as domiciliary care. We work closely with our Maxillofacial Colleagues across the County, and with multidisciplinary teams to ensure treatment is offered in our patient’s best interests. Experience of Governance, Strategy development, Audit, Risk and Incident reporting and investigation will allow development of Leadership skills. The Community Dental Service in Wiltshire promotes a culture of civility and respect, to allow learning and reflection within our teams.</p> <p>The successful applicant will be supported by a dedicated administrative team, with provision of a desk, telephone and laptop, and access to printing as required. IT is supported via the Trust IT service, and the dental software Systems for Dentists platform.</p>
